

Eggplant and tuna paste Suitable for celiacs

ngredients:
Eggplant
1 unit
Oiled tuna
1 tin
Olive oil
1 tbsp
Salt
To taste

Preparation

Peel the eggplants, cut them up in two halves, cook in the Multicoccion at full power for 5 minutes. Remove the preparation from the microwave and crush the eggplant with the tuna and the oil. Add salt and pepper until obtaining a homogeneous cream. Place the preparation in the refrigerator.

Tip: Serve on white bread toasts (Suitable for Celiacs). Use gluten-free ingredients.
